

DAVIS CONNECT INDEPENDENT ONLINE LEARNING OPTIONS

IS (Independent Study): These classes are the same content as ALC, except they run by school calendar terms and have term due dates. Students will not be penalized for late work. These are NOT open entry/exit, like ALC. Students can enter IS classes within the first two weeks of the term only. If a student doesn't complete their work by the end of the term, they will receive the grade earned. However, the Canvas course will remain open, and the teacher will do a grade change once students have completed the course.

ALC (A La Carte): These classes have the exact same content as IS, but are student paced, with due dates listed as May 20, 2022. These courses will not extend into the summer. ALC courses are open entry/exit. ALC courses should only be used in extenuating circumstances or for reasons that support a student's learning goals, such as acceleration plan, intensive schedule, health concerns, a mid-term emergency change of schedule, etc.

Credit Recovery (CR): These classes are shortened versions of our ALC/IS core courses, focusing primarily on assessments of the standards. The courses are student-paced, with due dates listed as May 26, 2022. These courses end the last day of the school year (May 27, 2022) and do not extend into the summer. CR courses are open entry/exit. CR courses will only be issued a Pass/Incomplete (regardless of the % or grade showing in Encore/myDSD/Canvas). Students will receive an "I" for any CR courses that are not completed by May 26, 2022.

Students should work with their school counselor where they are enrolled to be registered in these courses.
