**EXPECT THE GREAT**  
BUILD. CONNECT. INVEST. EMPOWER.

Please share with your students

We invite you to register for this year's Expect the Great conference, a free event focused on college and career awareness and readiness for African, African-American, and Black students and communities in Utah. The two-day event will take place Friday, March 26, 9 a.m. - 1 p.m. (high school conference) and Saturday, March 27, 9:30 a.m. - noon (college leadership retreat).

Due to the ongoing pandemic, this year's event will be held virtually. Davis School District will host the virtual event at 2 High schools, TBD on March 26, 2021, 9 a.m. - 1 p.m.

Expect The Great began with the leadership of then-Utah System of Higher Education Board of Regents Vice Chair France A. Davis, who sought an outreach event aimed at increasing college access, participation, retention, and graduation for the state's African, African-American, and Black students and communities.

This year's event will feature a range of uplifting sessions and presenters covering student leadership and engagement, college and career preparation, financial aid and scholarships, and life after college. The event is a safe space to *build up*, *connect with*, *invest in*, and *empower* our Utah Black students.
