

DAVIS CONNECT

COURSE LISTING 9-12

OC (Online Classroom): Students will submit assignments in Canvas within regular term deadlines, engaging regularly with an online teacher and connecting with peers in live virtual learning sessions and online activities. Live online classroom learning sessions are held each week with additional teacher and small group support.

IS (Independent Study): These classes are the same content as ALC, except they run by school calendar terms and have term due dates. Students will not be penalized for late work. These are NOT open entry/exit, like ALC. Students can enter IS classes within the first two weeks of the term only. If a student doesn't complete their work by the end of the term, they will receive the grade earned. However, the Canvas course will remain open, and the teacher will do a grade change once students have completed the course.

ALC (A La Carte): These classes have the exact same content as IS, but are student paced, with due dates listed as the end of the school year. These courses will not extend into the summer. ALC courses are open entry/exit. ALC courses should only be used in extenuating circumstances or for reasons that support a student's learning goals, such as acceleration plan, intensive schedule, health concerns, a mid-term emergency change of schedule, etc.

Honors: Students in core classes (English, Math, Science, and Social Studies) for grades 7-11 can earn Honors credit by completing the Honors requirements within the regular course. Once you are in the class, ask your teacher for more information. Upon completion of the honors requirements the transcript will be changed to reflect the honors designation.

CR (Credit Recovery): Credit recovery courses are shortened courses and are designed to only cover the essential content standards for a required high school course. These courses can be taken to recover a .25 credit in a class that has been taken previously and the student failed and received an "F" on their transcript.

SS (Support Session): Students taking courses that offer a Support Session will meet in small group live virtual sessions or one-on-one online meetings with the teacher to get the support needed to complete the course assignments.

Graduation Course Requirements: 27 Total Credits or 24 Total Credits

- 4.0 credits of English
- 3.0 credits of Math
- 3.0 credits of Science
- 3.0 credits of Social Studies (.50 US Government)
- 1.5 credits of Physical Education (.50 Fit for Life)
- 1.5 credits of Fine Arts
- 1.0 credit of Career and Technical Education (CTE)
- .50 credit of Health
- .50 credit of Digital Studies
- .50 credit of General Financial Literacy
- 8.5 credits of Electives (27 Credit Diploma)
- 5.5 credits of Electives (24 Credit Diploma/Diploma will say Davis School District)

Students should work with their school counselor where they are enrolled to be registered in DC courses.
